ASHBURTON/WYNGATE

Montgomery Child Care Association, Inc.

January 2nd-January 5th

Crazy Chemistry

We brought out lots of (safe) compounds like dish soap, cooking oil and powder, and mixed them up in different ways to see what would happen!

Tealight Snowmen

We made snowmen out of pipe cleaners and battery powered tealights!

Lava Lamps

We made lava lamps in water bottles from oil, alka-seltzer, and food coloring!
