Paper Weaving

This week our Pre-K class worked on weaving paper. Each child was able to create their own placemats by weaving different color paper strips through a large paper. Each child was able to practice their fine motor skills while creating a pattern.

Mrs. Bennett's Snowman Activity

We welcomed a special visitor to our classroom this week, Mrs. Bennett, Patrick's mother. She helped us make snowmen. The children used their creative minds to add legs, arms, eyes, a nose, mouth and a heart to their snowman. We talked about how people are different, and unique in their own way just like the snowman. Thank you Mrs. Bennett for spending time with us in our classroom!

A Visit from Mrs. Shirley

This week our Pre-K class had a fun two day project with Mrs. Shirley. Mrs. Shirley brought in her sewing machine. She taught us how the sewing machine works and then we each made our own hat! We sewed with needles, measuring tape, bobbins, thread, scissors, fabric, pockets and had so much fun!! We had cut out patterns, and learned a lot about how to sew! Thank you, Mrs. Shirley!
