What's New

NO SEW PILLOWS.

Last month we enjoyed the art of sewing once again but this time with a twist! We made DIY pillows using a cool and easy no sew method. This no sew method is easy and fun for children of all ages and was a big hit at Kids Klub. We used fun and vibrant fleece patterns for these pillows and had a blast putting the, together. If you would like to try it at home a tutorial link is below under suggested resources. Happy DIYing!
