NOVEMBER 2017

Message from the Director

Dear MCCA Beverly Farms Kid's Klub Families,

Happy November! Fall and the holiday season is here! We are now into our third month of the school year and we are having an amazing time here at Kids Klub. With the start of cold and flu season, we want to make sure we are being proactive in preventing the spread of illnesses. So it is also important for children who are sick to stay home and rest and recover before returning to school. If your child is sent home, they will need to remain at home for at least 24 hours, or submit a written statement from the health care provider approving the earlier return to the program. Please notify me within 24 hours if your child has developed a known communicable disease. Please take some time to review our Illness Policy found in the resource link below. Let's make this a safe and healthy fall season!

-Melissa

What's New

FALL HOUSES.

Last month we worked on making our annual fall houses! The kids worked on these amazing cardboard houses the entire month of October and displayed them for their family and friends to see the last week of the month. This was a great kickoff to the amazing projects we have planned for the fall and winter. Stay tuned!

Important Reminders
