

Message from the Director

JANUARY 2018

Dear MCCA Beverly Farms Preschool Families,

Happy New Year! I would like to thank all of our families for your generous contributions of toys to the MCCA annual Toy Drive. Also, thank you for your contributions to our staff holiday bonus fund. We appreciate your support and look forward to working together in 2018!

We completed our Creative Curriculum Study on Clothing in December and we have begun a new study on Music. We are looking forward to learning about musical instruments, songs, singing and dancing!

Best,

Cindy

What's New

Curriculum Corner – Winter Fun!

We finished our study on clothing with a visit from Mrs. Bennett, Patrick's Mother. Mrs. Bennett worked with the children making snow people. The children each designed their snow person with eyes, mouths, and noses. Then the children dressed their snow people creating individual and unique outfits.

Izzy said, "My snow person has a bow in her hair!"

Claire said, "My snow person has a blue jacket."

We also labeled the clothing on our snow people using new clothing vocabulary words such as bow tie, boots, buttons jacket and bow.
