Straw Construction

Sage, Ella and Emmeline explore making shapes using straws. They brush glue on the paper, and then line up the ends of the straw, counting the sides. As they construct they explore simple geometry and counting.

What Do You See?

After putting dabs of white paint on the paper, Ellis rubs her palms along the fold, spreading the paint around. She and her friends just read, *“It Looked Like Spilt Milk”*. Everett looked at his picture and said “Astronaut”, while Cam said his picture looked like a “Dog”.

Hammer And Nails

Theo plays a construction worker game, identifying and matching different types of tools construction workers use on the job.

NEXT WEEK AT A GLANCE

Question of the Day

January 8-12, 2018

Monday	Tuesday	Wednesday	Thursday	Friday
Jan 8	Jan 9	Jan 10	Jan 11	Jan 12
Do all pets have tails?	What is a habitat?	What animal do you think this is?	Which of these animals is a safe pet?	Where do animals live?
