

# Bunnies

**BROOKE GROVE**

Montgomery Child Care Association, Inc.

*November 6 - 10*

## Pumpkin Exploration

Everett digs his hand into the pumpkin, trying to grab and scoop out a handful of seeds. As he digs around in the pumpkin, Emily keeps an eye on what's going on, waiting to dig in!

## Car Tracks

Ella and Antonio create colorful track paintings by dipping small cars into colors of paint, and then running the wheels back and forth along the paper. They use fine motor strength and coordination as they maneuver the cars and explore cause and effect.

## Trip To The Pumpkin Patch

It's hard work picking pumpkins, but the Bunnies got the job done while at the pumpkin patch. They stand proudly by a wheelbarrow full of pumpkins they picked.

# Important updates:

## Reading List

### *Pip's Trip*

By Janet Stoeke

### *Sam's Pet Temper*

By Sangeeta Badra

### *Gilberto And The Wind*

By Marie Hall Ets

### *Come Along Daisy*

By Jane Simmons

### *There's A Whale In My Bath*

By A.J. Wood

## Next week's activities:

Math Studies: We will fly paper airplanes, measuring how far they can go

Science Studies: We will explore how to move a boat through water using straws

Art Studies: We will create straw paintings

Language and Literacy Studies: We will explore transportation rhyming words

Social Studies: We will explore what it means to take a trip to the theater

**Parent Teacher Conferences –  
 Monday November 6 – Thursday November 9**

## NEXT WEEK AT A GLANCE

November 6-10, 2017

Monday	Tuesday	Wednesday	Thursday	Friday
Nov 6	Nov 7	Nov 8	Nov 9	Nov 10
What do birds and airplanes have in common?	How many wheels does a car have?	How many wheels does a bicycle have?	Do boats have wheels? Why not?	Why do airplanes have wheels?
