

# Group A

**BROOKE GROVE**

Montgomery Child Care Association, Inc.

**January 2 – 5, 2018**

## Resolutions

Aiden asks, "How do you spell swim?", as he writes some goals for himself for the upcoming year. Once he has the spelling right, he tells his friends, "I want to swim better!"

## Recycled Paintings

Olivia uses recycled materials to create home made paint brushes. As she spreads the paint with the towel roll, she makes long streaks along the page. She announces, “My picture looks like fireworks!”

## Party Ready

Guess who is hiding behind that mask? This masked man decided on a simple design made with a “dot-dot” marker for his masquerade mask. As he shows off the mask he asks, “Can I make another one with more colors?”, trying to broaden his color pallet.
