

GROUP B

BROOKE GROVE

Montgomery Child Care Association, Inc.

Time To Sketch

Our budding Picassos, Nathan, Brandon, Bence and Samreen draw free style, creating images of winter animals. The group produces original images of polar bear, penguins, fox and mice.

Things That Make You Go, HMMMM

Coming up with resolutions can be difficult! Madeline, Elysia and Eliana put their thinking caps and thinking faces on before putting words to paper.

Vegetable Prints

Ashlyn, explores print painting with frozen vegetables. As she prints, pressing the vegetables on the paper, she discovers they begin to melt, making the paint very watery. She then takes a different approach, using the vegetable as a paintbrush, rather than a printing tool.
