

# Paddingtons

**BROOKE GROVE**

Montgomery Child Care Association, Inc.

*October 30 – November 3, 2017*

## The Farmer Builds a Fence

The Paddingtons act out the song “The Farmer in the Dell”. As the group sings the song, Alexander takes on the role of the farmer, and when he hears the phrase, “The Farmer Builds a Fence”, he places a large wooden block along the floor.

## Up Goes A Tower

Aurelia points to the stack, trying to guide Brandon on where he should place the next rectangle block, so the structure doesn't topple. The three work together, strategizing each move, as the tower grows taller.

## The Feel Of Music

The Paddingtons listen to the beat of a song, finding the rhythm, counting; one, two, three, one two three. As they find the beat, some children wave colorful scarves, while others play instruments to accompany the music.
