**BEL PRE**

Montgomery Child Care Association, Inc.

*October 30- November 3*

## Face Painting

The Froggies celebrated Pajama Day with face painting. Each student decided what they wanted painted on their face. Some of the choices included a ghost, skeleton, bat, and pumpkin.

## **SORTING COLORS**

Willa used foam people to sort by color. She put each foam piece into rows of the same color.

## WHAT COMES FROM TREES?

After discussing what comes from trees, we played a matching game. Each student had to find their matching card. The picture cards had pictures of things that come from trees such as; fruits and nuts.
