## STICK LETTERS

As we continue our tree study, we found a unique way to use twigs. We used twigs to make the first letter in our name. Lorraine works on the first letter of her name, while Beatrice works on the first letter of her last name. Adriana states “she’s making something special for her sister.”

## NAME MAKING

Gavin is excited to find all the letters of his name. He uses decorative marbles to outline the letters of his name. He says “Cheyanne when I am done with my name I will help you do your name”.

## **LEAVES ....LEAVES.... WHAT A GREAT FALL!**

Leaf collecting and leaf sorting became an everyday activity. All those leaves the Sunshines collected turn into lots of creative art projects. Kyle and Cheyanne love to create leaf animals. They make funny faces by adding googly eyes, and foam shapes to the leaves.
