## **SAME SOUND SORT**

The Sunshines had the opportunity to sort different objects based on their beginning sounds that corresponded with the letters displayed . After sorting they were interested in writing the letters on dry erase boards .

## GEOBOARDS

During small-groups, we practiced creating shapes with geoboards and elastic bands. Campbell makes a triangle and Jordin attempts to make a rhombus.

## **BUILDING TOGETHER**

Gavin, Amadou, and Nasir work collectively to build a house from Maga-Tiles. They discuss ideas about adding features of a home such as windows, doors, and more.
