

Creative Enrichment 9:00-3:00

GARRETT PARK

Montgomery Child Care Association, Inc.

June 9-12, 2014

Our last field trip of the year!!!

Our last field trip of the year was to Homestead Farms to pick Strawberries. The children also were able to visit with the farm animals. Before the trip we discussed the growing cycle of the strawberry plant and also discussed all the different ways we could use our strawberries. Strawberries with ice cream was the overwhelming winner.
