

# Cool Cats

**KENSINGTON / FOREST GLEN**

Montgomery Child Care Association, Inc.

*November 27<sup>th</sup>-December 1<sup>st</sup>, 2017*

## FABRIC!

As we ended our Clothing Study, the children made Fabric Collages as part of small group. They observed the different patterns, sizes, colors, and textures of the fabric. The children were also excited about using the big cotton swab as the glue sticks. Throughout the month, we have learned a lot about clothing.

## Cozy with a book

The Cozy Area is used for quiet time and reading books by ourselves or with friends. This area gives us the opportunity to enjoy reading books in the comfort of our dramatic play center. The Cozy Area has a new addition thanks to the Guppies. These Cool Cats turned the cozy area into a watermelon adventure.

## Toy Drive Donation Box

The children were happy to decorate the Toy Box Drive Donation Box. As they decorated the box, they were asking questions. We talked about what the box was for and why we were decorating it. This would be a good opportunity to talk to your child about the importance of helping others.
