

Friendly Frogs

KENSINGTON / FOREST GLEN

Montgomery Child Care Association, Inc.

October 2nd –6th

Leaf Painting!

With all the leaves on the ground, we just couldn't resist an art project! We covered the leaves in paint and used them as stamps! Using their developing Fine Art and Literacy skills, the Frogs made and signed all sorts of wonderful paintings!

The Letter “D”

This week in the Frogs was brought to you by the letter “D”! Our Show and Shares, our morning words, art projects, and even the response we gave when our name was called; instead of “here!” or “present,” the Frogs called out things like “dog,” “drum,” and “duck billed platypus!” Check out what we brainstormed for our letter D list on our classroom chart!

Group Art and Our New Birdfeeder!

One of the best ways to work on social skills is to create something as a group. To that end, the Frogs drew a giant jungle full of trees, flowers, birds, dragons, and ninjas! We also had the first visitors to our new Science Area birdfeeders! We saw a nuthatch, several sparrows, some squirrels, and this little bird! Which looks like it might be a young Blue Jay!

Important updates:

Upcoming Dates:

October 9th – Closed
(Professional Day)

October 13th – Letter
Ee Show and Share
& Coco goes home!

October 24th – Field
Trip to Sharp's
Waterford Farm

Friendly Reminders:

We would love if you bring in materials such as book about trees, small twigs, etc. during our study.

With fall weather approaching, many children are bringing sweaters and jackets to school. Please label these items of clothing with your child's name.

Thank you!

Don't forget, there will be no school this coming Monday October 9th! We will be participating in an MCCA Professional Day.
