## **G Street Fabric**

The Friendly Frogs had an opportunity to visit G Street Fabric Store. When we arrived, our tour guide showed us many different types of fabric, we also got to see sewing machines with touch screen displays! At the end of our field trip we picked out some fabric to bring back to school and use to make our very own stuffed monsters.

## Hat Day Parade

We kicked off our clothing spirit week with a mini “Hat Day Parade” down to the Elephant classroom. When we arrived we walked around and showed off silly hats, then we joined them for a book called “Waiting is Not Easy.”

## **Making Stuffed Monsters**

With the fabric from our field trips, we began to create our very own stuffed monsters. We drew what we wanted our stuffies to look like, then we picked out the fabric we wanted to use for each part. The next step will be sewing them together and watching them come alive!

Due to the colder weather many children are bringing sweaters and jackets to school. Please label these items of clothing with your child's name.

**Also, if you haven't done so already, please bring a family picture for our family board!**
