Pumpkin Painting

We decided to turn our pumpkin into an art project. First we painted our pumpkin with the fall colors red, yellow and brown. Once the paint dried we used collage materials and glue and decorated our pumpkin. Come check out our final project!

Dramatic Play Hair Salon

Imaginations are present as the children pretend to give haircuts. Everyone took turns using blankets to drape over each other as salon capes, while blow drying and pretending to cut hair. During pretend play, children are very observant in their environments so we are careful to use positive language and behaviors throughout our day.

Pass The Pumpkin

To continue our fall study we played pass the pumpkin. The children had fun passing a small pumpkin around to the beat of the music. This game helps children learn to play cooperatively in a group.
