

# Friendly Frogs

**KENSINGTON / FOREST GLEN**

Montgomery Child Care Association, Inc.

*October 23<sup>rd</sup> – 27<sup>th</sup>*

## Pumpkin Patch!

For the second Froggy Field Trip we went to Sharp's Farm to visit the pumpkin patch. We fed the slobbery cows and goats, went on a bumpy hayride, picked dried ears of corn, and took home smooth and bright orange pumpkins that we picked ourselves. This field trip was a great way to work on our sensory skills while exploring a local farm.

## Building Habitats

During our outdoor play one of the friendly frogs found an ant that he shared with his friends. They teamed up to create a habitat for the ant that included food and shelter. Through their social interactions they were able to create a new home for the ant.

## Written and Illustrated by The Friendly Frogs

The writing center is always available for the Frogs to work on their literacy skills. They took it upon themselves to write and illustrate books about the pumpkin patch, cows, and kittens. After morning circle they read the books they created to their eager classmates.

# Important updates:

- October 31<sup>st</sup> – Pajama Party at 4:30pm
- November 1<sup>st</sup> – Tree Study Celebration 10:40 – 11:10 am
- November 1<sup>st</sup> – Clothing Study Starts

We have enjoyed our tree study. Thank you so much for bringing in materials that contributed to our study. We will be starting our clothing study on November 1<sup>st</sup> and would love for families to share an ethnic clothing they may have a home.

With fall weather approaching, many children are bringing sweaters and jackets to school. Please label these items of clothing with your child's name.

**Also, if you haven't done so already, please bring a family picture for our family tree.**

Thank you,  
Your Friendly Frog Team
