BLOT ART

For this fun art activity, the children were invited to explore with tempera paints from squeeze bottles. They chose the colors they wanted to squeeze onto their papers by name, green, pink, etc. Using their little muscles in their hands and fingers, each of them took a turn creating these bright and creative images. Once the colors were on the paper they folded them in half, gave a “massage”, and opened them back up to reveal a picture that was originally named by them. Camilla says her picture is “an acorn”, “a foot”, “and ice cream”. How creative!

FRUIT SALAD

On Wednesday, the children seemed very engaged when they were making their fruit salad. The teachers provided them: banana, apple, cantaloupe and papaya. Papaya was a new fruit for them for testing and eating. All the children said, "I like papaya", and they asked for more papaya. With this activity the children development their cognitive skills, basic math skills using language such as half and whole, Social emotionally they helped and was encouraged to follow a recipe which can encourage self-direction and independence. As for their Physical development, they chopped, squeezed, and mixed ; that help develop small muscle control and eye-hand coordination. Finally, language development as they used their vocabulary and learned new words inspired by their new experience.

Important updates:

Dear Parents,

Please remember to bring extra seasonal clothing, diapers/pull-ups, and wipes for your child. Hand washing is important. Be sure to wash hands upon entering and leaving the child care center. Have a great weekend and Happy New Year!

Also, please read and become familiar with your 2018 school calendar. There are some important dates relevant to you, so please read.

Kind Regards,
 Ms. Denise, Ms. Nira, and Ms. Raquel
