CINDY O'CARROLL EMERGENCY SCHOLARSHIP FUND

When families experience a crisis such as job loss or serious illness that makes them unable to afford their child care, MCCA's Family Emergency Scholarship Fund can help offer support. **Family Emergency Scholarships** provide temporary tuition assistance to families so children can remain in the comfort and security of their child care program at a time of great stress for their family. These scholarships are available to all enrolled families, including those receiving child care subsidies.

Contact your MCCA Director for more information on how to apply for an Emergency Scholarship.

On the 15th day of May 2018 the Board of Directors of Montgomery Child Care Association, Inc. adopted a resolution to honor the memory and commemorate the contributions of Cindy Less O'Carroll by changing the name of its Family Emergency Scholarship Fund to the **CINDY O'CARROLL EMERGENCY SCHOLARSHIP FUND.**

CINDY O'CARROLL EMERGENCY SCHOLARSHIP FUND

During her 37 year career, Cindy O'Carroll provided joyful and loving care to thousands of Montgomery County children. She was passionate about her work, about the welfare of the children in her care, and about her colleagues. She believed that all children, including children with special needs, deserve high quality care, which she worked tirelessly and devotedly every day to provide. In 2011 the Maryland General Assembly recognized Cindy's "distinguished career by which she leads an exemplary legacy to the children of Montgomery County."

Graceful and generous, Cindy's legacy of high quality child care lives on in our hearts and mission.
